

Section 3 - External Auditor Report and Certificate 2022/23

In respect of

Kineton Parish Council

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2022/23

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

The Internal Auditor has answered 'No' to Assertion G which relates to whether salaries to employees and allowances to members were paid in accordance with this authority's approvals and PAYE and NI requirements were properly applied. In regard to this response the Internal Auditor noted that employees and employers National Insurance contributions were calculated incorrectly during the year due software not being updated to reflect a mid-year adjustment in the rates. As a result, the council has overpaid its National Insurance contributions for the period, but these can be reclaimed from HMRC.

Incomplete information was initially received with regards to significant variances and earmarked reserves. The parish council should in future ensure that significant variances and earmarked/general reserves are scheduled in their entirety. Explanations have since been received and are acceptable, so we have no further concerns in this area.
